

## Three Things You Could Do to Help Us Reach our Campaign Goals:

1. **Sign up for PAR** (Pre-Authorized Remittance). If you're not ready to commit to PAR, then you could Pledge to make a certain amount of offerings in 2018. PAR/Pledge forms are available at the Church, **or** just contact the Office (780-436-1555). **Bonus for you!:** If we can match a donation to your name (e.g. With PAR, personal cheques, or personalized envelopes) you will receive a charitable tax receipt. For many households this means an income tax credit worth **up to 50% (!)** of your donation amount (consult your own situation).
2. **Rise to the challenge.** If you are set up for PAR already, great! Why not take a look at the amount you are giving and compare it to the Suggested Model for Giving (see below). If you're under the suggested amount, you could try to rise up to it – just contact the Office by email or phone to do so.
3. **Go over and above.** Not everyone is going to be able to meet the challenge posed by the Model for Giving. In order to meet our financial goals this would mean others have to give *more* than suggested by the Model for Giving. Are you able to go over and above? If so, we need you!

**BONUS:** Many outreach / mission programs rely on generous **directed** givings from individuals to help meet their needs. Examples include the Mission and Service Fund, Faith Lift Campus Ministry, the Racecourse School for Orphans in Zambia, and Garneau Food Security. Take a look at what you give to St. Paul's and now challenge yourself to give a bit more, and direct this *additional* money to one or more of these outreach / mission programs. By contributing a fixed amount on a regular basis, you will help reduce the fundraising burdens of these groups – **and** of course you'll be supporting a great cause! (Challenge: For every \$1000 you donate to St. Paul's, donate an extra \$150 to an outreach program!) Easy to do with PAR!
